

剛果民主共和國伊波拉病毒感染疫情分布地圖

*Confirmed and probable cases have been reported in 24 health zones of North Kivu and Ituri provinces: Alimbongo, Ariwara, Beni, Biena, Butembo, Goma, Kalunguta, Katwa, Kyondo, Lubero, Mabalako, Mambasa, Masereka, Musienene, Mutwanga, Oicha, Vuhovi, Mangurujipa, and Kayna in North Kivu Province; and Bunia, Komanda, Mandima, Nyankunde, Rwamapara, and Tchomia in Ituri Province.

**health zone is the term used for the sub-provincial level of health administration (roughly equivalent to the district level in many countries).
